ASX ANNOUNCEMENT

ANAGENICS LIMITED (ASX: AN1) – VOLUNTARY SUSPENSION UPDATE

SYDNEY, Tuesday 10 September 2024

Anagenics Limited (ASX: AN1) (**Company**) provides the following update on the voluntary suspension of its securities which commenced on 4 September 2024.

As previously announced, the Company is actively engaged with a number of third parties in relation to multiple restructuring workstreams for the business, including management and funding strategies for the ongoing business (**Restructuring**).

Successful completion of the Restructuring is critical to the Company's continued financial sustainability. Discussions with third parties are progressing positively and constructively. In the Company's opinion, trading of its securities during this time is likely to materially prejudice its ability to complete the discussions with third parties.

The Company's suspension will remain in place until the Company releases a further announcement regarding the Restructuring.

Discussions are ongoing and it is difficult to predict a timetable for their conclusion. However, the Company is working towards finalising these matters as soon as practicable and is aiming to do so by Monday, 30 September 2024.

This announcement has been authorised for release to ASX by the Board.
